BEDROOM INTERIOR DESIGN

MOOD BOARD

Moroccan Interior Style is rich and exotic in details, shapes, colors and mixtures. It's a combination of different cultures, religious belief and hand made traditions passed on through the centuries.

berber carpets

Moroccan carpets carry messages

Lion's Paw
A symbol of strength, the claws are a symbol of protection

Eye
A symbol for protection against the evil eye. The cross in the middle deflects evil in four directions

Bird
A positive motif which carries baraka

The interior design that originates in Morocco reflects this diverse area, rich in cultural traditions and history. Characterized by intricate carvings, arched doorways, and colorful fabrics. An opulent look, it is all about lots of freedom and flow between pieces.

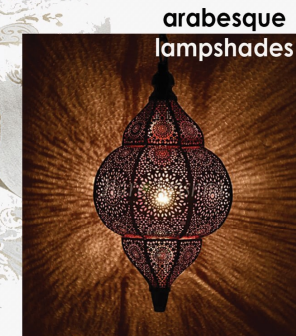

Color is the focal point of Moroccan decorating. Drawing inspiration from Morocco's landscape, look for shades of blue and green from the Atlantic and Mediterranean
